## Intern Insurance Solutions (m/f/d)\*

Location  
Munich

Global Consulting offers Insurance Solutions to drive performance and to develop business models for existing and emerging risks in Property & Casualty insurance. Our insurance experts provide top quality consulting services and tailored solutions to insurtechs, start-ups and established insurance companies. Our solutions spans from personal lines up to mid-corporate business in motor and property.

### Your job

- Running market research, collecting information, testing hypotheses, and executing bespoke analysis
- Presenting results to senior team members, building high-quality slide decks and dashboards
- Actively supporting the Insurance Solutions team in their daily operations on ad-hoc tasks

### Your profile

- Studies in statistics, mathematics, computer science, physics, data science or related fields incl. business administration with a quantitative focus, completed bachelor studies is a plus.
- Very good MS Office skills.
- Result-oriented and self-reliant way of working
- Excellent communication, presentation, and organization skills. English is a must, French/German/Italian is appreciated.
- Knowledge in at least one analytical programming language (e.g. Python or R) as well as SQL and data visualization (e.g. PowerBI) is recommended.
- Previous experience in the insurance sector is a plus.

Students from countries outside the EU require a German residence-/work permit.

### About us

As the world's leading reinsurance company with more than 11,000 employees at over 50 locations, Munich Re introduces a paradigm shift in the way you think about insurance. By turning uncertainty into a manageable risk we enable fundamental change. Join us working on topics today that will concern society tomorrow, whether that be climate change, major construction projects, medical risk assessment or even space travel. Together we embrace a culture where multiskilled teams dare to think big. We create the new and the different for our clients and cultivate innovation. Sounds like you? Push boundaries with us and be part of Munich Re.

Our employees are our greatest strength. That's why we offer them a wide range of benefits.

#### Unlock your potential

- **Diversity, Equity & Inclusion:** we embrace the power of differences and are convinced that diversity fosters innovation and resilience and enables us to act braver and better.
- **Continuous Learning:** we believe that continuous learning is a key differentiator and critical for building new skills and accelerating growth.
- **Career Mobility:** we actively support career mobility, and our strong global and regional presence offers a wealth of career growth opportunities for you.
